Approval given this _____ day of _____ for water by the Town of Circleville

by _____ Title: _____ Signature: _____

Front, side, and rear yard setbacks are required by the Town of Circleville. The owner of said property or his authorized agent shall be responsible to see that these requirements are met, and that no construction takes place in these areas. ****Residential dwelling--25 feet from the front property line, 10 feet from each side, and 20 feet from the rear property line. Accessory dwelling--30 feet from the front property line, 10 feet from each side, 10 feet from the rear, and 10 feet from the main building or any other building.**** All structures built within the Town of Circleville limits shall meet the minimum set back requirements stated in Circleville Town's Land Use Ordinance. Further ordinance information available upon request. If you have any questions please contact Eric Torgerson 435-979-1279.

Owners must have their first inspection within one year or permit expires.

Setbacks

Front	Side	Side	Rear

Please draw a simple diagram of the requested project.

Please include the exact position of the project on the property. If this is a home, the front door and the driveway need to be specified.
